Log in

[Forgotten your username or password?](#)

3 – Once you access for the first time you need to provide the following information:
First Name, Last Name and a valid email address.

▼ General

First name		<input type="text" value="Luke"/>
Last name		<input type="text" value="Skywalker"/>
Email address		<input type="text" value="lukeskywalker@gmail.com"/>

4 – At the bottom of the page you need to Update your profile:

There are required fields in this form marked  .

5 – You will see the following message:

Luke Skywalker

You have requested a change of email address, from to Moodlestudent3@crcmail.net. For security reasons, we are sending you an email message at the new address to confirm that it belongs to you. Your email address will be updated as soon as you open the URL sent to you in that message.

Continue

6 – Hit continue

7 – This is the part where a lot of students get stuck because Moodle is waiting for you to verify your email address. So you are taken back to your profile page.

8 – You have to check provided email and click on the link provided:
